# THE TUBCUT<sup>®</sup>

- Improve Accessibility
- Complete in One Day
- Reversability Available
- Satisfaction Guarantee

## *Save 90% on Replacement Cost!*

We convert your tub to a walk in shower in just one day. No plumbing or demolition. Little to no disruption. A simple shower curtain, the same used on a shower stall, stops any water concerns. Shower doors optional.

## *It's Like Having A Walk In Shower Without The Cost!*

We create the opening that fits your needs. Unlike a cap system, The TubcuT<sup>®</sup> adapts to you. With our exclusive process, you dictate where we create the opening, how wide and how low, typically just 4" off the floor.

## *The TubcuT<sup>®</sup> System is 100% REVERSIBLE*

If you sell your home we can reverse The TubcuT<sup>®</sup> back to a regular tub again, just like brand new! The removed section of the tub can be replaced restoring it to original condition. Save thousands on resale!
