Getting in & out of your tub can be difficult and dangerous? Our Product is designed to help you stay in your home, maintain your independence, and reduce dangerous slips and falls. By removing the obstacle and converting YOUR tub to a walk in shower.

Any tub can be done even cast iron tubs. Our modification is custom fitted to YOUR tub becoming an integral part of the bathtub we create a seamless, Factory appearance.

The threshold is only 4" above the floor giving you easier, safer access to your tub. A simple shower curtain keeps the water in or a shower door. Best of all this process is completely reversible.

**LIFETIME GUARANTEE**

And done in **JUST ONE DAY!**
